

REMEMBER

Always dispose of sharps at the point of use.
Store sharps bin safely with temporary closure across.
Consider use of brackets.

Assemble lid correctly on a flat, sturdy, surface - snap lid all around firmly

Bracket sharps bin OR Take to point of use in a sharps tray

Close temporary closure when not in use

Lock when contents reach fill line

Identify your ward/department, complete label on assembly and again prior to disposal

Remove sharps bin and dispose according to your local policy
